

Transit Notice

Lake Shore Boulevard near Humber Loop Westbound lane closed for rail replacement

Dates: December 4 to December 11, 2017

Content/timeline accurate at time of printing

As part of this year's City/TTC Lake Shore Boulevard West track reconstruction project, Lake Shore Boulevard West at the Humber Loop entrance/exit will undergo track reconstruction and duct work **starting at 9 a.m. on Monday, December 4 until 5 a.m. on Monday, December 11.**

Work hours - includes overnight

During the phase when new rail is being assembled and installed, work will be conducted on a 24-hour basis. Working around-the-clock is a necessity in order to complete the crossing on schedule and re-open the westbound traffic lane as quickly as possible. The loudest work, such as breaking concrete is not expected to go past 11 p.m. Other related work such as; grading, formwork, concrete pouring and new rail installation/assembly will be conducted as required and as work progresses.

Traffic restrictions

- Eastbound on Lake Shore Boulevard West will be maintained through the work zone.
- Local westbound traffic on Lake Shore Boulevard West will not be permitted between Palace Pier Court and Brookers Lane.
- Marine Parade Drive (east end) and Palace Pier Court at Lake Shore Boulevard West will be limited to right turns only. To access westbound Lake Shore Boulevard West or the Gardiner Expressway ramp, local traffic must use Waterfront Drive and Marine Parade Drive as shown in map.

Sidewalk access:

The south sidewalk will be maintained.

TTC service

501/301 Queen, 66B Prince Edward and 145 Downtown/Humber Bay Express service routings will not be affected by the work at the track crossing.

Upcoming work

Updates regarding the remaining work in this area will be provided in the coming weeks.

Thank you for your patience during this track improvement work.
