## THE SPIRIT(S) OF THE SEASON

BY TAD BROWNE

As the fall season approaches, it's time to celebrate the spirit(s) of the season. From the crisp autumn air to the warm glow of a fire, there are many ways to enjoy the season. One of the best ways to enjoy the season is by drinking a good drink. There are many different drinks to choose from, and each one has its own unique flavor. Whether you prefer a classic cocktail or a more experimental drink, there is something for everyone. The spirit(s) of the season are the drinks that bring us joy and comfort during the fall months. They are the drinks that make us feel like we are in the heart of the season. They are the drinks that make us feel like we are part of something special.
